HEALTHY NUTRITION MADE EASY

Why Formula 1

- People’s lives have become so busy that getting proper nutrition is more difficult than ever. Herbalife Formula 1 shakes provide an easy and quick nutritious meal.
- Herbalife Formula 1 nutritional shakes and Express Meal Bar combine the benefits of nutrition with convenience so you can enjoy delicious meals and easily make managing your weight part of your lifestyle.

Formula 1 Healthy Meal Nutritional Shake Mix

A DELICIOUS, NUTRITIOUS WAY TO EAT

Formula 1 allows you to personalize your shake with protein to fit your body type and goals, and fruit for additional nutrients and flavor combinations.

A NUTRITIOUS MEAL

For over 30 years, Formula 1 has provided balanced nutrition in a low-fat, soy protein shake!

- Helps manage weight
- Contains 9 g of heart-healthy soy protein
- Includes protein and fiber, and up to 21 vitamins and minerals
- A variety of delicious flavors and options
- Customize with Personalized Protein Powder or Protein Drink Mix for additional protein

Images of fruits or vegetables are illustrative of flavor only. Product does not contain these fruits or vegetables.

A healthy, active lifestyle starts with good nutrition and regular exercise.

Retailing Tips: Formula 1

 HERBALIFE.						
Who to Target 	Why Formula 1 	New Weight-Management Customers People struggling with weight management want to improve nutrition while working toward their weight-management goals.	Moms Moms want to stay healthy and have energy as they take care of their family. Formula 1 is an easy solution when time is limited.	Busy Professionals In today's "fast-food" world, these customers often do not have the time or the option to eat as healthy as they would like.	Prime Timers (Ages 50+) Prime timers want optimal good nutrition to maintain their vitality and active lifestyles.	Gen H (Ages 18–35) They'll be the first to admit they do not eat healthy enough. Formula 1 offers a convenient way to obtain better nutrition.
